New Cases by Day

Because of limited testing capacity, the number of cases detected through testing represents only a small portion of the total number of likely cases in the County. COVID-19 data are reported as timely, accurately, and completely as we have available. Data are updated as we receive information that is more complete and will change over time as we learn more. Cases are lab-confirmed COVID-19 cases reported to San Mateo County Public Health by providers, commercial laboratories, and academic laboratories, including reporting results through the California Reportable Disease Information Exchange. A lab-confirmed case is defined as detection of SARS-CoV-2 RNA in a clinical specimen using a molecular amplification detection test. Cases are counted by date the lab result was reported. Deaths reported in this dashboard include only San Mateo County residents; death data last updated September 21, 2020.

STATE'S BLUEPRINT FOR A SAFER ECONOMY

Blueprint for a Safer Economy

County risk level	New cases	Positive tests
WIDESPREAD Many non-essential indoor business operations are closed	More than 7 daily new cases (per 100k)	More than 8% Positive tests
SUBSTANTIAL Some non-essential indoor business operations are closed	4 - 7 daily new cases (per 100k)	5 - 8% Positive tests
MODERATE Some indoor business operations are open with modifications	1 - 3.9 daily new cases (per 100k)	2 - 4.9% Positive tests
MINIMAL Most indoor business operations are open with modifications	Less than 1 daily new cases (per 100k)	Less than 2% Positive tests

Blueprint for a Safer Economy

SAN MATEO COUNTY IS AT

Allowed Indoors

- ▶ Hair, nail, body waxing salons
- ▶ Restaurants at 25% capacity or 100 people, whichever is fewer
- ▶ Places of worship at 25% capacity or 100 people, whichever is fewer
- ▶ Museums, Zoos & Aquariums at 25% capacity
- ▶ Movie theaters at 25% capacity or 100 people, whichever is fewer
- ▶ Gyms & Fitness Centers at 10% capacity
- ▶ Malls can increase capacity to 50%

Not Currently Allowed to Resume Operation

- ▶ Bars, Breweries & Distilleries

Counties can move to a less restrictive level as COVID transmission goes down and testing goes up.

Stay diligent about keeping your distance, wearing your mask, getting tested, and following all protocols and directives.
